Product Description

Husquarna 525iLK

High-performance battery combi machine with integrated connectivity

Husquarna 525iLK is a robust, high-performance professional battery combi machine. Well-balanced, lightweight and power-equivalent to a 25cc petrol machine. This cordless electric combi machine is designed for full-time use, delivering the performance you need with a brushless E-TORQ motor and grass trimmer attachment with 42 cm cutting diameter. The wide range of Husquarna combi attachments makes it a highly versatile tool for grass cutting, pruning, hedge trimming, edging or cleaning. . Integrated connectivity for easy connection to digital services. Battery and charger not included.
