Product Description

Husqvarna 525iLXT without battery and charger

High-performance battery grass trimmer with integrated connectivity

Husqvarna 525iLXT is a robust, high-performance professional battery grass trimmer. Well-balanced, lightweight and power equivalent to a 25cc petrol machine. This cordless electric grass trimmer is designed for full-time use, delivering the performance you need with a brushless, E-TORQ motor and 47 cm cutting diameter. You operate it easily and efficiently thanks to the comfortable loop handle, intuitive keypad with 3-speed mode and ErgoFeed trimmer head. Integrated connectivity for easy connection to digital services. Battery and charger not included.
