Product Description

Husqvarna 564 XP LITE Fuel Injected 24" Chainsaw

Husqvarna 564 XP is a groundbreaking 60cc chainsaw for forestry and tree care professionals seeking cutting-edge performance. Combining the size and maneuverability of a 50cc chainsaw with the power of a 70cc, it delivers an outstanding power-to-weight ratio in a compact body. Experience an innovative combination of advanced technologies, including the fuel injection system and a new engine for instant acceleration and maximized productivity throughout the workday. Furthermore, the user experience is refined with an easy starting procedure and low vibrations, reducing strain on your body.
